

Hyatt Hill Country Resort Camp San Antonio, Texas

Experience the true Texan hospitality of this AAA-Four-Diamond Hill Country resort which offers a unique blend of comfort & elegance. With the inviting charm of a Texas ranch house and the amenities of a luxury resort, guests can float down the country-style lazy river, relax with full-service spa treatments, play on a championship 27 hole golf course, utilize state of the art fitness facilities, travel along the scenic jogging paths and nature trails, and enjoy the five-acre water park with a FlowRider® wave machine, water slide, three swimming pools, and two outdoor whirlpools. With Sea World across the street from Hyatt, there is something for everyone.

The Hyatt Hill Country offers 500 luxurious guestrooms and over 73,000 square feet of indoor meeting and event space. This resort property is perfect for extensive team-building activities, learning both camp and custom dance routines, and providing enough ballroom space for each team to receive personal attention from our championship staff. Normally, this destination hotel is cost prohibitive for hosting dance camps, but MA has secured a terrific rate both for the camp and early arrivals. Because the popularity of this property was overwhelming last year, we suggest that you register early to confirm space. With participants able to opt for early arrival and experience all of the resort amenities, this camp will certainly sell out for this summer again!
