THE SECRET BLEND FOR EFFECTIVE LEADERSHIP

Leadership is not something you do to people, it is something you do with them!

Integrity

- Leading with integrity means being the person you want others to be.
- Trust is what happens when values and behaviors match up.
- People are more apt to trust and respect you when what you say and what you do are one and the same.

Partnership

- The key to effective leadership is the relationship you build with your team.
- Sharing the big picture puts everyone on the same page.
- It is easier to get up the hill when you climb it together.

Affirmation

- Praise is the easiest way to let people know they are appreciated.
- Each of us has the power to recognize the goodness in others.
- You will go a lot further if you stop to refuel.

Perfecting the Blend

- People will think for themselves when you quit doing it for them.
- Leadership is the process of getting everyone to the place they are supposed to go.
- The highest achievement as a leader is winning the respect and trust of your team.
