

NEW Note to Directors!

We thought we were through, but.....

The schedule has changed again! None of the dance events have changed since yesterday, so you can feel confident in this schedule!

All Auxiliary directors should take special note of this schedule - All Color Guard solos have been moved back to Gym #2 after 6:30pm. Auxiliary times in the Main Gym are still from 3:15 - 4:10, but we have re-arranged performances to allow additional change time!
