| 4:24 | PM | BLACK GOLD DANCE OPEN #1 |
| 4:28 | PM | KLEIN OAK HS Sr 17-18 #12 |

5:30 PM SOLO FINALS

Dance Solo finalists should report to the Grand Crystal Ballroom A-C to perform in the first available opening in between any team routine obligations they have. Performances for teams and ensembles have priority over solo finals and those team performances should not be missed or delayed due to solo finals. Before you warm up, immediately report to the sound table to check in, going to the ballroom labeled for your age division. Your arrival time will be recorded & you should let the MA Staff know if you have any team performances you are working around that night. At most, you will be allowed 30 minutes to warm up, but we expect that you will perform as quickly as possible and not stall or delay the contest. Individual soloists not competing with a team should be prepared to perform around soloists that have team performance obligations. If there is an opening, you should be ready to fill that opening and not linger to wait for a later time slot. If space is available, please use Ballroom D to quietly warm up so that our staff can locate you easily. Solo winners will perform in our Parade of Champions before awards in the Arena.
